

kränzle® KHD7-122TS-QC

1,740 psi

7L/min

240V, 10A

The most professional machine of its class due to a super quiet, soft start, slow running motor (1400rpm) heavy duty 4-pole motor with total stop. Extremely handy and compact design. Adjustable pressure control makes the KHD7/122TS highly versatile around home or semi commercial environments.

Stainless steel carry handle

Ideal for wall mounting

Stainless steel pressure gauge

1400 RPM electric motor for longevity, quiet running and better in-let suction

Total Stop system

Compact handy design - easy portability
