

KRÄNZLE® KTH895-1-QC

 2,830 psi
 15L/min
 415V, 20A

Top of the range 415V Hot Water high pressure cleaner in terms of safety, performance, reliability and low cost of operation. Ideal for regular use in applications like heavy machinery, transport and manufacturing plants. Features - Pressure 2830psi, 15 L/min cleaning power, Hot Water up to 150° temperature to destroy grease and grime.

20Mtr HP Hose and integrated hose reel + folding crank

Total stop System + Safety cut-out

Digital operating panel control temperature + operating hours

Tidy storage system for practical stowing of accessories

Low fuel cut-off for burner + Digital thermostat

Digital thermostat + safety thermostat

Parking brake for secure stationary position

 Made in  Germany

4 large rubber tyred wheels

High pressure detergent intake/application

Technical Data

Operating pressure adjustable	2,830 psi	Power supply cable	7,5m
Max. admissible overpressure	3,120 psi	(LxWxH)	1,050 x 800 x 1,300 mm
Connected Load	415V, 20A	Weight	223Kg
Motor speed	1400 rpm	Hose reel + HP Hose	20m
Water Output	15Ltr/Min	Trigger Gun with safety catch	
kW Power Output	5.5	S/S Lance with fan-jet Nozzle 045	
Water tank volume	12.4Ltr	DN12 Quick release connector system	
Hot water output adjustable	12-86°C	4 way safety system	
Steam Level	155°C	Overload protection	
Heating Output	5kW	5 Year Commercial Warranty	
Fuel tank	35Ltr	10 Year Warranty on Brass pump head
